Why Choose Us

Years of experience in tax consulting and the tax authority

Our team brings years of hands-on experience in both tax consulting and the tax authority, enabling us to provide accurate and practical solutions aligned with real regulatory expectations.

Integrated approaches in solving tax issues

We deliver integrated approaches that connect tax analysis, compliance review, and strategic planning, ensuring every tax challenge is handled thoroughly and consistently across all business processes.

Knowledgeable in the Compliance Risk Management system

We understand the Compliance Risk Management system used by the Directorate General of Taxes, which enables us to guide clients in meeting compliance standards and anticipate potential risks.

Leading consultants for foreign investment in Indonesia

We support foreign investors in navigating Indonesia's tax and regulatory landscape, helping them establish and manage their operations with clarity and confidence.

Proven track record in transfer pricing documentation

We have a proven track record of preparing high-quality transfer pricing documentation and resolving disputes across diverse industries, supported by structured analysis and strong technical justification.

Experienced in regulatory compliance for complex tax cases

We apply regulatory compliance frameworks to help clients resolve complex tax issues, especially cases involving historical non-compliance, by strengthening documentation, improving processes, and reducing future risks.

OUR SERVICES

Tax Compliance

Tax Compliances

Essential for compliance, Ideatax manages tax automation. Experts mitigate risks, freeing you to focus on business.

Monthly Tax Advisory

We're ready to help you analyze tax supervision results, identify issues, prepare written responses, and assist in early dispute prevention.

Annual Tax Return Reporting Service for Corporations and Individuals

We assist both individual and corporate taxpayers in filing their Annual Tax Returns accurately and on time.

Tax Dispute Resolution

Tax Audit Assistance

Our experts guide you from pre-notification to post-audit, making the process smoother and clearer.

Tax Refund Assistance

Ideatax streamlines the refund process, from submission planning to audit assistance, expertly managing overpayments.

Tax Objection Assistance

Ideatax is experienced in assisting clients, preparing the evidence and grounds as per taxation laws in tax objection process.

Tax Appeal Assistance

Ideatax will help you in terms of preparing the said evidence, the tax appeal letter, in addition to representing you as the lawyer during tax appeal court session.

Tax Judicial Review Assistance

Our services will involve the pre-action planning, assessing the letter of Judicial Review, and lastly, arranging supporting evidence that will be needed later.

SP2DK Assistance

We offer guidance and insights for resolving SP2DK issues, as well as represent companies in discussions regarding SP2DK responses with the tax office.

Tax Planning and Advisory

Tax Review

We ensure accurate tax calculations and help fix issues before they draw attention from tax authorities.

Tax Due Diligence

Ideatax will help you identify and manage tax risks in audits, mergers, acquisitions, investments, or restructuring.

Submission of Tax Facilities

Ideatax can help you in maximizing the tax facilities provided by the government as support for the development of domestic economy.

Tax Opinion

Ideatax provides professional tax opinions to support your stance in disputes with tax authorities.

Tax Advisory in Liquidation and Bankruptcy

We help you understand those risks and offer practical, realistic solutions. We also provide tax advice related to creditor-filed or self-declared bankruptcy.

Business Structure Planning and Corporate Action Advisory

Ideatax is your trusted partner for both planning and execution. We focus on preventive, comprehensive planning and deliver strong risk management support for every client.

Accounting Services

Journal entries, monthly balance sheets, and annual reports. Leverage our expertise and trusted partnerships for your financial needs.

Transfer Pricing Documentation Preparation - Local and Master File

Pursuant to Ministry of Finance decree 213/PMK.03/2016, transactions above Rp 20B (tangible) or Rp5B (intangible) require documentation. Ideatax aids in Local and Master files, fair pricing, and lawful tax strategies.

Training and Workshop

Data-driven project offers trusted economic and tax insights. Enhance investment decisions and profit growth. Comprehensive training for tax knowledge empowerment.

Customs

Customs Dispute Assistance

In cases of customs disputes, our experts provide end-to-end support, from audit representation to dispute resolution.

Customs Reporting and Compliance

We streamline import and export documentation to align with regulations, reduce the risk of penalties, and safeguard your company's reputation with customs authorities.

Customs Solutions for Authorized Economic Operator (AEO)

Maximize AEO performance and compliance with our trusted customs services. Collaborating with relevant stakeholders, we provide precise and efficient solutions for your business growth.
